SUMMARY

Full Stack Web Developer with a background in Graphic and Web Design. Recently earned a Full Stack Development certificate from Vanderbilt University in 2019 and a Graphic and Web Design degree from the Art Institute of TN - Nashville in 2018. This created a skill set that includes, HTML, CSS, SASS, JavaScript, React.js, Node.js, Express.js, and many programs in the Adobe Creative Cloud. I am known for a creative mindset and a focus on mobile-first design and development. My mission is to continue to learn new technologies while trying to help you create a website that will take your business, start-up, or idea to the next level.
